

How to choose your sheen

FLAT

A non-reflective finish that conceals minor surface imperfections. Perfect for ceilings and low traffic areas.

WHERE TO USE FLAT:

Living Rooms, Dining Rooms, Bedrooms, Ceilings and Exterior Siding

EGGSHELL

A soft, low-luster finish with better durability than flat paints. Great choice for most rooms.

WHERE TO USE EGGSHELL:

Bedrooms, Kids' Rooms, Family Rooms and Hallways

SATIN

A semi-lustrous finish with excellent durability. Ideal for high-traffic, high-moisture areas.

WHERE TO USE SATIN:

Kitchens, Bathrooms, Laundry Rooms, Hallways, Exterior Siding

SEMI-GLOSS

A high-luster finish that's designed to stand up to high-use areas. Easy to clean and resists wear but shows some imperfections.

WHERE TO USE SEMI-GLOSS:

Kitchens, Bathrooms, Laundry Rooms, Interior/Exterior Doors & Trim

GLOSS

A glass-like finish with the highest durability and washability. Extends the life and beauty of high-demand surfaces.

WHERE TO USE GLOSS:

Doors, Cabinets, Trim, Banisters, Shutters and Window Castings
